Bro Sebastian Goh Mission Report

Do you possess the 'Right Sign' of a believer?

Mar 16:15 - 18

And He said unto them,

Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned. And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

EARNESTLY CONTENDING FOR THE FAITH THAT WAS ONCE DELIVERED TO THE SAINTS
CONNERSVILLE.IN SUNDAY 53-0614A

E-63 We say the... "Oh, here's the sign of the believer: He goes to church. He's a good man. He pays his debts." That's fine. I have nothing to say about that. He educates his children. That's dandy. I have nothing to say about that. But that's not the sign of a believer. Even to preach the Gospel is not the sign of a believer.

Jesus said, "These signs follow the believer.

**In My Name they cast out devils; they speak with new tongues;
they take up serpents; and they drink deadly things will not harm them.
If they lay their heads on--hands on the sick, they shall recover."**

And today you do it, they'll laugh at you. They got a form of godliness but denying the power thereof. Brother, I don't want to be Balaam, but I say like Balaam. When he come back and he seen what God had done to that bunch of holy-rollers, he said, "Let me die the death of the righteous, and let my last end be like his." Amen. I say the same thing.

From the Editors Desk:

Greetings to you all, dear Saints.

Here we are coming to the end of 2010 and are now approaching our fourth year of sending out the Believers Newsletter. It has been successfully operating around the South Pacific and yonder. And we praise our Lord Jesus, for without Him we simply could not have done it. We say that most sincerely. He wants other people around the world to read His Testimonies and words of encouragement. God has His way of preparing us for His Coming, Saints!

As Editor I would like to express how pleased I am that Bro Malcolm Ferris has come on to the Believers Newsletter Committee. His nomination was proposed two months ago and he advised that he has felt the Lord leading him to accept the position. Although he has not been on the Committee, Bro Malcolm has been active in the background for a long time supporting and helping the Believers Newsletter, especially in recent months with the establishment and maintenance of the Believers Newsletter website. Bro Malcolm's technical and literary talents will enhance the publication, and the Believers Newsletter Ministries generally.

At this time also, I would like to thank you faithful folk who have blessed us with your testimonies and messages that have encouraged and blessed us. A big 'thank you' to our Sisters who have transcribed pages and pages of Messages for us. My wife says, "Thank you for your love in the Lord, dear Sisters". In fact, we had such a big impact of 'Spiritual Food' for the BNL' this month, that we have decided to send out another Issue on the 1st of January, 2011. As our readers of 'longer standing' know, we normally take a break for a month at that time.

Our Committee members, Brothers Bruce, Adrian and myself trust your holiday with your families will be richly blessed and you will have a 'Testimony'!

God bless you all,
Brother Charles - Editor.

Looking forward to the January issue:

It will feature more testimonies from;
Bro Sebastian Goh's China Report.
Bro Jim Carmen's visit to the Solomon Islands
Bro Matthan Gray in the Philippines
More of Pastor John Waka's background on the Message in Papua New Guinea
Plus details of events planned for 2011

Heir of a mighty King, heir to a throne,
Why art thou wandering sad and alone?
Heir to the love of God, heir to His grace,
Rise to thy privilege, claiming the place.

Heir of a conqueror, why dost thou fear?
Foes cannot trouble thee when He is near.
Child of the promises, be not oppressed,
Claim what belongs to thee, find sweetest rest.

Heir by inheritance! child of thy God!
Right to thy son-ship is found in His Word;
Walk with the noble ones, never alone;
Prince of the Royal Blood, come to thy throne.

Heirs! we are joint-heirs with Jesus our Lord!
Heirs of the Covenant, found in His Word!
Rise to thy privilege, heir to His grace!
Heir to the love of God, rise, claim thy place.

The fruit of saints in NZ meeting the needs of God's children. This testimony is from one who "turned back to thank Him".

This is just a short note of appreciations and testimony that at last I have got a good motorbike and I thank you for all your support that has made a big difference in our lives. As I gave you another testimony back about the land you helped us to get, we are now enjoying free food and we are able to feed other Brothers who are very needy. Praise be to God. God bless you richly. Bro. Samson Lubogo. Uganda.

Cashing the Heavenly Cheque!

PREPARATION_ OWENSBORO.KY WEDNESDAY_ 53-1111

E-51 There's more than a jawbone of a mule laying next to you tonight. That's right. Let's get up and do something about it. Let's forsake these old cots, and stretchers, and wheelchairs, and crutches, and say,
"It belongs to the devil. I have no more to do with it.

" That's right. I claim Jesus Christ's Word's right. Live or die, I'm with it." That's right.

Toe the line with Him. Claim your God given privileges, and the devil hasn't got any privilege. He hasn't got one legal power over any believer. He was stripped and robbed at Calvary. Jesus Christ robbed him of everything he had, and give every believer a **cheque book** with His Name signed on the bottom. "Whatever you ask in My Name, that I'll do." Your personal property. **Dare you to sign** your name to **any cheque** there or fill it out. "Lord, I need healing in the Name of Jesus Christ." And use that Name of Jesus and stand back. Hallelujah. The whole bank of heaven will declare it righteousness. That's right. Sure.

Miracle in Singapore

I visited Singapore between 26th April – 25th May 2010 and stayed at a brother's home, we had lots of fellowship with the believers there and held public meetings for Mandarin speaking groups. While we were fellowshiping at the brother's home, I met a new message believer, Bro. Mark, who had a spinal problem. Five years ago the doctor operated on him to install a steel plate in the upper spinal problem area secured with screws for alignment and support. He told me that he had an operation coming up soon to have the steel plate removed from the spine. He was very excited about the Message truth as we continued to fellowship on the Word of God. He came to house fellowship almost everyday from morning till late evening. I showed him the application of the "**Law of faith**" and showed him how to cash "**the blank Heavenly Cheque**" for his spinal problem.

1 John 3:22

**And whatsoever we ask, we receive of him,
because we keep his commandments,
and do those things that are pleasing in his sight.**

After about three weeks of super fellowship on the Word of truth, Bro. Mark cashed the 'Heavenly Cheque' for the healing of his spine. On the day he was due for an operation of the removal of the steel plate from his spine, the same doctor who had put in the steel plate for Bro. Mark 5 years ago x-rayed his spine. To the doctors astonishment he could not locate the steel plate and questioned Mark when and which doctor he had gone to for the operation to remove the steel plate. Bro. Mark assured the doctor that he had not approached any other doctor for the removal of the steel plate since it had been put in 5 years ago! The doctor than exclaimed, "How could the steel plate disappear from your spine without an operation"?

Mark then realized what the Lord Jesus had done and testified to the doctor that Jesus had removed the steel plate for him without any operation.

Miracle in China

I was in China, towards the end of August 2010. I was contacted to go to a certain hospital to pray for a very sick sister of a denomination church who had been hospitalized for about a week. She was very badly injured from a fall from a Longan fruit tree, which she had climbed up high to pick fruits of. X-rays at the hospital confirmed that she had fractured both sides of the hipbone and the middle back spine had been forced out of alignment. She was in great pain and needed a major operation but she had no money for it. Without the operation she was just laying in the hospital bed in agony and couldn't even sit up. Upon arriving at the hospital seeing the condition she was in, her only way out was to accept what the Lord has done 2000 years ago by faith. I taught her about "the law of faith" for about 25minutes and made sure that she knew how to apply it for her healing. I prayed for her that evening and then left.

The next morning the sister was able to sit up, get out of bed to stand up and begin to walk. In that hospital ward there were two more other beds with two very sick non Christian ladies needing operations. The lady in the bed next to the sister was too weak to be operated on and could hardly move at all in her bed. However upon seeing the miracle of the sister getting out of bed and walking after having been prayed for the night before, she got really excited and started to scream out the name of Jesus, claiming that Jesus has already healed her too. She too got out of bed and was totally healed and continued thanking Jesus. Her husband and other family members (Buddhists) were there when this happened and they tried to stop her from believing Jesus but to no avail. She kept on testifying that Jesus had healed her. While this commotion was happening, it triggered the human faith of the sick lady in the bed next to her. She too started screaming out the name of Jesus and claiming that Jesus has healed her too. Well, she too got out of bed miraculously healed by our Lord Jesus. They all left the hospital leaving the three sick beds in that ward empty! All glory goes to our Lord Jesus for He has done it again and again for His own glory. Hallelujah!

After the sister who had fallen from the tree got home, although she could get up she was still in great pain and could only take a few steps at a time. The next day she was taken in a taxi to where I stayed. I stayed with a dear brother whose flat is on the 9th floor with no lift facility! She had to be put on a plastic chair and be carried by three persons all the way up to the 9th floor. I then shared with her that for her problems as a Christian, Jesus has already given her a blank 'Heavenly Cheque' to cash (I John 3:22) upon meeting two conditions:

So, the 1st condition is to be obedient to God's Word and the 2nd condition is to please God.

Without faith it is impossible to please God (Hebrew 11:5-6). After having been obedient to the Word of God one must know how to apply the 'Law of faith' in order to cash the cheque.

I took her through the Bible and cleared up her misunderstanding between Matthew 28:19 and Acts 2:38. Then took her through repentance (1st step of grace): Women are not allow to cut their hair, no makeup, no jewelry, must cover up decently buttoned up around the neck, no tight or sleeveless blouse, loose wide long skirt down to the ankles and no wearing of pants and high heels shoes. She repented of all these and dressed up accordingly and got baptized in the name of the Lord Jesus. Hallelujah! **There was no need to carry her down from the 9th floor. She walked down from the 9th floor to the ground floor instead.**

By her testimony, many have now come to hear the gospel truth, the message of the prophet's prophet of the hour. Many have repented and baptized in the name of the Lord Jesus. Praise the Lord for adding to His true Church.

Among these new believers added, there was a young lady (Li Xue) who was drinking and smoking heavily but worst of all she was a drug addict for 5 years. She too is now completely set free from all her bad habits after cashing the 'Heavenly Cheque'! Her personal testimony is attached.

Another man also was a drug addict and just released from prison. He too accepted the Lord Jesus, repented and got baptized in the name of the Lord Jesus Christ. Now he is also totally set free of his drug addition and got himself a job.

Also a brother with a very bad hunched back received his healing and almost stands up straight after repented and been rebaptised in the name of the Lord Jesus.

Praise and glory to the Lord.

Brothers and Sisters I hope you have been encouraged.

I have definitely been encouraged and hope you all know how to cash your 'Heavenly Cheque'.

Mar 16:20

And they went forth,
and preached every
where, the Lord work-
ing with *them*, and
confirming the word
with signs following.

Amen.

In 1999 the Lord directed me to share the Gospel truth in China. I have been faithful to my little calling and God is always faithful with signs and wonders following, confirming His gospel truth as it was preached. God has also delivered me from times of difficulty experienced on these trips. (Many pictures and videos clips have been taken over the years but have never been used for any publication due to the reason that no foreigners are allowed to preach in Communist China and the house churches are still persecuted).

Mount Hagen Convention-

Part 1 of a report sent in by Brother Derrick Donaldson

The crowd for the morning and night meetings were scattered all over the area 180 degrees from left to right – not too close to the front, as they don't like to be too conspicuous. But they listened intently. Many Roman Catholics attended and stayed to the end and were impressed by the messages.

The denominational people had never heard the Bible preached with such depth as it was ministered at those meetings at Mt. Hagen. (This was the first time ever that this major city of PNG had been introduced to the Message).

As I was sitting in the front seat in a 4 wheel drive with the door open and with Pastor John Waka beside me, two elderly women – about sixty years of age – approached me. One of them put her arms around my leg and wept deeply. The morning meeting had deeply touched her christian soul and she openly expressed herself in English and Pidgin. She had waited a long time to hear what she had always believed was the truth. She told me that she wished her whole village had been there to hear the Word.

Bro. John told me that this particular woman had a healing ministry. Wherever she went where there were sick and needy people, God had heard her prayers to raise the sick, no matter how bad the patient was. She has a beautiful humble and loving spirit.

Village people are not rich but poor in this world's goods, but they have a lovely simplicity about them.

~Catch the Vision Ministry in PNG~

After taking an accountancy course for two years, John Waka did not continue a third year, as he became a Christian and entered a denominational Bible Seminary, which he and his wife graduated from. They had received the Message from Bro. Abel and committed themselves to the truth.

Before becoming a Christian, he told me he was a drunkard and a brawler in the pubs of Lae. Now, highly respected among them after he became a Christian, he picked up the disease of T.B. and had to resign his position of a large church and nearly died.

But the grace of God healed him and restarted his Christian life in the Revelation of the Message. He is now totally committed to the Message and is a 'no nonsense' preacher.

- Pastor John Waka -

Conference continued: Night Meetings drew a number of people up front to be saved and restored to the Word. The many people who had turned up for the evening meetings, had to sit in the dark. Unfortunately the large tent and the light fittings we had booked for the meetings had not been prepaid, and they were given to some other organisation.

Photo at right ; Sitting next to Bro Derrick, is Pastor John Berry, the Senior Pastor of PNG Christian Fellowship, Mt. Hagen. He was stirred by the Messages he heard preached at the Meetings. He agreed with all he heard and is now reading and hearing the Messages of Brother Branham. He is presently organising a Convention with three other Villages and has invited Bro. John Waka to minister the "Message" to them.

Brother John Waka's Report on the Mt. Hagen Conference

Dear Bride of Christ, Greetings to you all in Jesus' wonderful and glorious Name. We the "Catch the Vision" and "Spoken Word" Ministry [PNG] are so glad to be the voice of Elijah in this end time. The revealed Word, Jesus Christ the Mystery of God revealed, has found its true identity, the elect Bride of Christ in PNG during our Prophetic and End Times Crusade on the 13th – 18th September, 2010 at Mt. Hagen, Western Highlands Province [PNG].

Before these conferences began, we had been praying for the Lord to make it possible for our Brother Derrick Donaldson to come to PNG to deliver the message of the Lord Jesus Christ, 'The Mystery of God Revealed', and it happened that God provided for him to come to PNG in which the conference was successfully finished with the power of His Word and through the anointing of the Holy Spirit.

The report of the Prophetic and End Times Conference in Mt. Hagen from the 13th Sept. 2010 is as follows:-

On the first night was the opening of the Prophetic and End Times Crusade. Both of us were preaching a series of the Message. At night I preached a series of the message: "Recognising your Day and its Message", "Arise Bride of Christ, This is the Voice of Elijah in this End Time". [Mal 4:5-6] "Setting God's standard in this Adulterous Generation".

And also during the Day session, Pastor Derrick Donaldson preached a series of messages i.e. "The God of the Evil Ages", "The Unveiling of Christ", "Satan's Eden" and "The God Head". And I interpreted the messages that Pastor Derrick preached during this week long conference. These series of messages identified and placed the position of Christians in PNG to come out and be separated from the contaminated Doctrines of trinity and their denominational teaching and find their true place of identity and be baptized in the name of the Lord Jesus Christ and receive the baptism of the Holy Spirit.

God was beginning to reach out through His Word – Jesus Christ, the revealed Word of God in Mt. Hagen, which is a Catholic dominated town. And also we have seen the manifesting power of the Message of the hour as Jesus Christ, the mystery of God was revealed during our Baptism Service in which many of the denominational people saw the real manifestation of the Word made flesh during this week. And also the Message of the Hour – Jesus Christ the Mystery of God Revealed, has made a complete impact on the minority in this Nation of Papua New Guinea.

On the 18th Sept.2010, Pastor Derrick and myself baptized thirteen people who responded to the Word, in the Name of the Lord Jesus Christ.

We want all of you brethren in The Message to continue to pray for us in PNG so that the Original Word Itself may find its elect Bride in PNG and be ready for the rapture and the Millennium Reign in Heaven. We are so thankful to the Lord for your generous and faithful support by investing to spread the Spoken Word, 'Jesus Christ the Mystery of God Revealed' to all the 21 provinces of Papua New Guinea.

May our Mighty God, Jehovah Jireh, richly bless and prosper you all in Jesus' precious Name.

Your Prisoner of Christ,

~Mission Work in P.N.G~ Introducing Brother Abel Polope

The Mission Work in Papua New Guinea has covered extensive ground. The “Message” ministered through the local Native ministers has reached into many Cities and townships of PNG. As yet, there are millions who have not been reached, but our Heavenly Father knows amongst all those millions where the elect seed is.

Brother Abel Polope, an Evangelist with a true revelation of the Message, has been used significantly by our Lord to disseminate the revealed Word over many areas of PNG. Bro. Abel is a brother of excellent integrity, and a truly worthy Servant of Jesus Christ.

At the moment, Brother Abel lives in Kiunga in the Western Province, near to the Indonesian Border of West Irian. The Radio Work he is doing in Kiunga, covers an area to the extreme North – Vanimo:- the extreme South: Eastward [PNG] and Westward into Indonesia, reaching the Papuan Tribes in West Irian. Kiunga is isolated from the rest of New Guinea as there are no connecting roads here. The only transport in service are the Airlines and the odd ship that navigates up the Fly River, from the Gulf of Papua, approximately 4 days’ journey.

The Denominational Christians who heard Bro. Branham’s message on the Radio Broadcasts, travelled up the river for 2 1/2days’ journey to visit Bro. Abel, who looked after them for several days and explained the Message to them and paid the cost of \$400.00 for fuel to send them home.

Brother Abel’s Report on some Aspects of the ~Radio Ministry~

What is Impossible....to HIM is POSSIBLE !

His name is Lazarus Gebio, who had suffered from burgers disease for eleven years and half of his left leg had been removed by the Doctor, due to continuous rotting. Disease had also affected his right leg while sitting on the wheel chair for that time.

On the 10th October, 2010, after he heard the Prophet William Branham’s Message on the Radio – titled “Victory Day” 63-042, he believed the Message and applied his FAITH with nourishing, praising and thanking God for healing him! Surely he had received healing from his rotten left leg and it began to dry and he was totally relieved from pain!

On the 15th October, 2010, I went for my usual hospital visitation to pray for sick people and share the Message. He pointed at me and said, ‘Are you Brother Abel Polope?’ ‘Yes, what can I do for you?’ With tears in his eyes, he lifted up his arms and hugged me and said, “I am healed from pain and burgers disease”.

I shared and encouraged him to be in the Word and gave him some Message Books and cassettes. As you see in his photo, his small tape recorder is behind him and he plays the Message with other Patients in the hospital.

He is preparing to be baptised and needs a vehicle to take him to the river. I can’t baptise him at Fly River because it’s muddy and we can hardly stand and baptize. So we need to take him to an outer area that is suitable to his situation. He is married with five children and needs your prayers.

Radio is doing a fine job. Places that I can’t go to, airwaves is making it possible and bringing people back to the Original Message.

Dear Pastor Derrick,

My name is Lazarus Gebio and I am from Kiunga, in Papua New Guinea. I am a regular listener of the preaching of the Prophet William Branham, from Fly FM every Sunday morning and evening. The message I heard, had changed my life and took me out from the denomination. Same time message itself is giving me the depth of it and put me in the place where I could not reject it.

I was suffering from Burgers Disease, for which, the medicine could not cure for eleven years. However, when I heard the healing message of Brother William Branham, I felt that I was touched and healed through this wonderful Message.

I was hungry to hear more of his Message, when Brother Abel Polope visited Kiunga Hospital. He talked about the ministry of William Branham and shared the Message with some Message Books and cassettes. So now I am reading and listening to the Brother Branham’s Message.

Now I am sharing with my Patients and Colleagues about the Message. Please see the picture of myself and continually pray for me.

God bless, Lazarus Gebio,

(Kiunga, P.N.G.)

Another Answer!!

~My Testimony

As I share this testimony, my prayer is that it may lift your faith to a higher realm that you too can reach out and claim your healing or need in the name of Jesus Christ. We serve a God whose promises never change Hebrews 13.8 His promises are yea and amen.

On June 18, 5.40 pm as the aeroplane wheels lifted off the runway, a sense of joy and expectation filled my being as we headed to the North Island to Ben and Christine's wedding, but as we touched down at Auckland, cramping pains had developed low on my right side, severe enough, that I couldn't face eating any tea. By the time we got to Hamilton, where we were to stay, all I wanted to do was retire to bed. Then the pain shifted to the top of my stomach and grew in intensity all through the night I was also vomiting and at 4.50 a.m., when my daughter Anna came in to me, we called an ambulance. At Waikato Hospital they put a line in to hydrate me and gave me morphine and anti nausea. They also did an ECG as my heart rate was so low, but that recorded a perfect heart. The hospital had only masked my symptoms.

On Sunday, we flew back to Christchurch and in the air, I started vomiting again and we once more headed to the Hospital – the ED this time. A doctor did an ultrasound and thought I had gallstones because the gall bladder was inflamed and so he felt that they couldn't help me until things settled down. Finally in Christchurch Hospital they started some diagnostic work. I had chest and abdominal x-rays. Then they sent me for an ultra scan. This showed I had an obstructed bowel and a cyst on my pancreas. I then had a C.T. scan.

I thank the Lord for Anna and Ben and Pastor Greg and Sister Nancy. These precious people stayed with me all day, praying for me and waiting on results. Around 6pm they sent me to an acute ward and the others went home. Later that night my stomach started to swell, I called a nurse who got a doctor and he decided emergency surgery was needed straight away.

My bowel had been completely kinked off by band adhesions as a result of an appendectomy when I was eleven. These adhesions had been building and growing all that time.

Many people were praying for me, and an amazing thing happened on the second day after the operation. I had been helped into a chair to sit for a short time when an amazing feeling came over me. At first I thought, I had turned a corner in my recovery but soon

realized something greater was happening. A wonderful feeling of peace and comfort enveloped me and I realised it was prayer. People were upholding me in prayer. It stayed with me for about an hour, but greater was the feeling of peace and God's presence. I shall never forget it.

My healing progressed really well and at five weeks (feeling great) headed in for the hospital appointment dealing with the cyst. I had no worries as I entered the surgeon's office thinking he would probably say the cyst was so small nothing needed to be done.

My peace was shattered as he spelled out the huge size of the cyst '6cm by 5cm' sitting at the neck of my pancreas. It was large enough to start to block my bile duct. There were some bad indicators with it; calcification and thickening of the walls pointed to possible cancer. I would be facing a seven hour operation – taking part of my pancreas, gall bladder and some of the duodenum then having to reconnect it all again. I was shocked, numbed, how could this be? The surgeon wanted to operate as soon as possible, in fact in three weeks.

This was too big for me, I needed help, God's help. I passed the news on to Pastor Greg and we decided on a date to anoint me with oil and for the church to pray for me. Pastor Greg contacted me and counselled me to make sure there was no hidden sin in my life as this would hinder God answering my prayer. I took this very seriously and spent a long time at Amberley beach seeking God and seeking forgiveness. I left the beach that day feeling freed and at peace.

The next day Pastor Greg called for my family and two of the elders prayed and anointed me with oil. An amazing peace fell upon me half way through that prayer, a peace that was to stay with me all the way through. Three other people approached me that day confirming an amazing peace they had felt as prayer was lifted up, in fact the whole church was in unison as that prayer was lifted up. James 5.16.

God felt that prayer and heard that cry. I knew something special was going to happen. The surgery day loomed quickly and next thing I knew I was being prepared for the seven hour operation. As they prepared me, there was an amazing sense of peace, all was well. Praise God He was so close, so real.

The next thing I remember was waking in intensive care. I noticed the time was only 1.30 pm. It should have been late afternoon. A nurse seeing I was awake came over and bending low she said 'Great news Maxine! They managed to get the cyst off without removing anything else'.

Through the oxygen mask I had a huge smile. Over and over again I was saying 'Thank you Thank you Lord! Wonderful Lord! What a mighty answer to prayer'.

My recovery progressed well. After tests, the surgeon told us the wonderful news – no cancer. Praise the Lord. Often when things happen in our lives we only see the small picture but God sees the whole picture. I had struggled with why I had had to suffer with the obstructed bowel but without that, they never would have discovered the cyst on my pancreas. Romans 8: 28. All things work together FOR good...We serve a mighty God and if we approach Him in the right way He won't let us down.

Another wonderful healing to take place, I was released after four days in hospital. I was not well at all. The surgeon wanted me to stay at Davidson House for a week. On Monday afternoon after having had a sleep I woke feeling very ill. My sister Lorraine texted me asking how I

was, I texted back saying 'quite ill.' She replied that she and her husband were going to pray for me. I started to feel a little better. Lorraine contacted me again and encouraged me to start praising and they would pray for me again. Almost immediately the nausea and ill feeling lifted. I ate tea that night and that nausea and ill feeling never returned. He is so good. Thank God for my faithful praying sister and husband.

As I close I want to say a special 'thank-you' to everyone who upheld me in prayer, who fasted for me and encouraged me with scriptures, to those who visited me in hospital, texted and sent me 'get well' cards. Never underestimate the strength and comfort you give to a person who is in need.

God bless each of you and especially a blessing to anyone who reads this.

Sister Maxine Holland.

LIFE'S STORM

A pastor had been on a long flight between church conferences. The first warning of the approaching problems came when the sign on the airplane flashed on: "Fasten Your Seat Belts". Then, after a while, a calm voice said, "We shall not be serving the beverages at this time as we are expecting a little turbulence. Please be sure your seat belt is fastened."

As the pastor looked around the aircraft, it became obvious that many of the passengers were becoming apprehensive. Later, the voice on the intercom said, "We are so sorry that we are unable to serve the meal at this time. The turbulence is still ahead of us." - And then the storm broke ..

The ominous cracks of thunder could be heard even above the roar of the engines. Lightning lit up the darkening skies, and within moments that great plane was like a cork tossed around on a celestial ocean. One moment the airplane was lifted on terrific currents of air; the next, it dropped as if it were about to crash.

The pastor confessed that he shared the discomfort and fear of those around him. He said, "As I looked around the plane, I could see that nearly all the passengers were upset and alarmed. Some were praying. The future seemed ominous and many were wondering if they would make it through the storm.

"Then, I suddenly saw a little girl. Apparently the storm meant nothing to her. She had tucked her feet beneath her as she sat on her seat; she was reading a book and everything within her small world was calm and orderly." Sometimes she closed her eyes, then she would read again; then she would straighten her legs, but worry and fear were not in her world. When the plane was being buffeted by the terrible storm when it lurched this way and that, as it rose and fell with frightening severity, when all the adults were scared half to death, that marvelous child was completely composed and unafraid." The minister could hardly believe his eyes.

It was not surprising therefore, that when the plane finally reached its destination and all the passengers were hurrying to disembark, our pastor lingered to speak to the girl whom he had watched for such a long time. Having commented about the storm and the behavior of the plane, he asked why she had not been afraid. The child replied,

'Cause my Daddy's the pilot, and he's taking me home.'

There are many kinds of storms that buffet us. Physical, mental, financial, domestic, and many other storms can easily and quickly darken our skies and throw our plane into apparently uncontrollable movement. We have all known such times, and let us be honest and confess, it is much easier to be at rest when our feet are on the ground than when we are being tossed about a darkened sky.

He is in control and taking us home~**

~ Our Family Camp ~
Gospel Way Outreach
Fellowship in Kaiapoi

Dear Brother Charles,

This is our 18th year holding a Family Camp for our church and those who support its ministry in some form. Eighteen years ago the Lord spoke to my heart and told me as Israel had special feasts, so I should have a camp to draw the church aside to have a time of Holy Convocation. We have only broken that cycle once when we had special meetings to dedicate our new church building. This year saw us back at our old camp ground of Waipara Boys Brigade camp. We started off on Friday night with a campfire and sausage sizzle. Everyone brought their own food for that night and it was a great time around the campfire with food and song. I usually have the minister share something from his heart and it allows the people to get to know him or in Br. Eugene Braun's case, (this year's camp minister) make re-acquaintance with the saints.

Then first thing Saturday morning we started the day off with cell groups of four or five in each group. A new leader is chosen each year and it is his responsibility to come with a topic or what they want to do with the group for the next three mornings. Next is breakfast and this year we had the privilege of having a chef who worked for Alison Holst do all the cooking for us. Everyone has chores to do throughout the camp. Usually only one set each, as we share the load around everyone.

Our meetings were 10 am and 7 p.m., Saturday and Sunday and 10am on Monday. After lunch, on Monday, we have cleanup where everyone joins in to clean the buildings before we head home. There is usually a special children's program for the little ones and games of soccer, volleyball, trampolining, and a walk along the Waipara River for the oldies. We were blessed with good weather this year and the Lord fed us spiritually with our Br. Eugene Braun's ministry.

Yours Because of Jesus,
Greg Alford (Pastor)

Astronaut Age

"I think this, friends: If the whole nation stood in awe, and watching through television when the countdown come for that astronaut, John Glenn, to leave up in towards his first flight towards the moon, to get up above that--and the whole earth stood amazed as they seen that astronaut take off; what will the whole universe stand still when the great eagle of the Church of God, when she spreads Her great wings one of these mornings, propelled by the Holy Ghost and fire, when She takes Her shiver off the earth and goes into the heavenlies? The whole universe will know it. Angels will welcome Him in with a triumph. Amen. We are living in the astronaut age, going into the heavenlies. People can't understand it. When you talk about a shock coming, just wait till that church starts moving up, when that great eagle called the Church of God, redeemed by the Blood of Jesus Christ, spreads forth Her wings, and the power of the Holy Ghost begins to lift Her up off the earth. It's going to be a wonderful time. Remember, an automobile can't follow it; neither can an airplane. It's astronaut. Let's be an astronaut".

Middle East Update

Esfand 1, 1389 is the date according to the Iranian calendar that corresponds with the date of Dec 1, 2010 of Western calendar. According to recent information received out of Iran, this date of Esfand 1 will conclude the period of 20 days for appeal since the delivery of the written court documents concerning our Brother Youcef Nadarkhani, after which "...the afore-mentioned person as an apostate will be executed by being hung until his soul is taken from him."

As our brother faces this great showdown, Brother Youcef appears to be standing strong in the faith as his recent testimony was recorded; "...**you want me to give up Christ or otherwise have to die, then I simply have to die**". We continue in faith and in fervent prayer for our Brother's deliverance and victory over this great trial. [Ed **The attorney is in the process of appealing to the supreme court.** The written verdict has been posted online for you to read.

<http://presenttruthmn.com/blog/iran/youcef-nadarkhanis-verdict-translated-english/> There is also a photo album with pictures of brother Youcef and family. <http://www.facebook.com/album.php?aid=243578&id=125527830763> from Present Truth Ministries Jason DeMars] The recent news report coming from the head of the Islamic Republic's human rights council earlier this week stated that "...

Iran may spare a woman who was sentenced to death by stoning..." If mere media attention and political pressure is causing the cruel Islamic regime in Iran to bend on this case – how much greater the force and the power of faith of our many prayers are on behalf of our Brother Youcef and others who are suffering in Iran. Others in Iran who have been arrested were recently granted permission by the Government to leave Iran. These believers, thankful to have avoided their sentence and prison term, have left everything behind as they fled to Turkey. Let us remember these ones too in our prayers along with Brother Behrouze who is also still in prison. It is reported that he is to stand trial which is supposed to begin in three weeks.

It has been an incredible year of ministry in Lebanon, a country so divided and torn by religious and political strife. You may recall that just one year ago our precious Brother XXX was spared in a very serious, life-threatening accident. Our Lord's grace was miraculously proven in this situation, not only to have survived, but also to have been miraculously restored in record time. Our Brother has steadily grown and advanced, not only in service but has also been growing in the ministry of the Word in my absence from Lebanon. Though it was a difficult time for all the believers in Lebanon immediately following our forced "exile" this spring, we can see that the Holy Spirit was definitely at work bringing sons of God into their adopted positions.

After many months, it was wonderful to finally be together again with the Brothers as we ministered recently in Syria. I witnessed how much Brother XXX and also Brother XXX had grown in the Word and ministry. I knew from my conversations with the Brothers, that Brother XXX had been teaching the Word of God as revealed in the last day's Message. Seeing him in action while on this excursion in Syria brought a great joy and satisfaction to my soul. Brother XXX spoke with such power, conviction and love. Often times he would have a small crowd around him as the curious came to hear why others sat with such rapt attention at the gracious words of eternal life that proceeded from our Brother's mouth.

Your prayers and support is also making it possible for Brother XXX and Brother XXXX to devote themselves to translating the Message of the Hour into Arabic. They are currently working on the Exposition Of The 7 Church Ages. They are well into chapter three, The Ephesian Church Age – as seen here in Arabic; *الفصل الثالث عصر كنيسة أفسس*. Though the 7th Church Age messenger had to meet the same pillar of fire Paul met on the road to Damascus, we can be very thankful God's last day's messenger wasn't from Damascus or the Message in Arabic!

In a few days we will also be returning to Turkey to minister to those in the ancient cities of Smyrna and Laodicea, who have heard the 7th angel's Message. We are also very thankful for

the latest translation completed in the Turkish language; "The Seed Is Not Heir With The Shuck" – the title seen written here in Turkish; *Tohum, Kabuğuyla Ortak Mirasçı Değildir*. It will be a good foundation upon which we can minister more of the Message. On behalf of all those in the Middle East who are the recipients of your prayers, your love and your giving, we wish to sincerely thank you. Your love and support is helping us to fulfil Rom 10: 14 "How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?" And to all of our precious friends and Brothers and Sisters in Christ in the United States who celebrated Thanksgiving this weekend, we too celebrate our Lord's abundant grace and goodness with you. May the Lord richly bless you, Your Brother and Sister in Christ,
Brother Tony & Sister Rebekah

Gifts, Anointing and Ministries do not Guarantee Salvation~

A gift is an open ended affair. The one receiving the gift is free to use it as they like, this is in no way a reflection on the one who gave the gift.

For example if my friend was a hunter and I gave them a new rifle for hunting, they might decide to go on a rampage and kill a bunch of innocent people with it. This is not my responsibility as the giver of the gift, it does not reflect my motives in giving that gift...So it is with the gifts and callings of God - Paul tells us they are without repentance (Roman 11:29) just as an artistic gift is born into a child. That child might be trained to hone that gift and bring out its full potential or the gift might become neglected, the talent might remain hidden under a bushel...

It is misunderstood by many that the spiritual gifts a person possesses are subject to the possessor, even as natural talents are. They can be used or neglected. Also they can be used or abused, in His service, or to do a service apart from His will. Paul hints at this ability for the gifted to subject their gifts to the proper order and service of God in 1 Corinthians 14:26-28:

How is it then, brethren? when ye come together, every one of you hath a psalm, hath a doctrine, hath a tongue, hath a revelation, hath an interpretation. Let all things be done unto edifying. If any man speak in an unknown tongue, let it be by two, or at the most by three, and that by course; and let one interpret. But if there be no interpreter, let him keep silence in the church; and let him speak to himself, and to God.

Now of course speaking in tongues is but one of the many gifts of God, but it shows the principle that the one with the gift has complete ability to control that gift, even as someone with a gift for music or art or whatever other natural talent is able to control their gift. When they are unable we consider this to be undisciplined, it might be tolerated initially but we look for maturity to settle that gift and harness it into what it is meant to produce.

Considering all of this therefore, what about when the giver of that gift is present? When Jesus returns He predicted that many (not few - many) would come to Him claiming to worship and serve Him, doing many great things, healing the sick by casting out devils, prophesying in His name and so forth, and He will deny them because they denied His leadership. They would not be subject to the spirit that gave those gifts and so their lack of discipline, refusing to be put into order has rendered them rebellious to Him. Let us consider this sober warning very seriously for the time is at hand.

Our chance to thank you all

Dear Brethren. God bless you all.

Last year a ministers' meeting was held on Am-bae Island in Vanuatu for the first time, and an opportunity was made for ministering brothers to meet each other and be taught the deeper things of the message. We had at that time about 20 brothers turn up, and after some thought, Bro Paul Moffitt and myself, decided to hold another one. This time the extent of its support and success exceeded all expectations.

The task of organizing such a meeting can be daunting as there are so many variables to take into consideration. Firstly there is very little money available for brothers to travel, there is accommodation and food to take care of, the weather can shut down planes and boats and a list of other problems can occur. After some months of hard slog the devil did his best to make these meetings difficult to gather the brothers in ... but the Lord came through!!!

From the 27th to the 31st of October was the time appointed for Bro Ron Peterson, Bro Paul Moffitt and Bro Adrian Gray to take these meetings. Before it happened the weather was causing boat trips to be cancelled to the venue on Santo Island. But a few of the brothers gathered in the church and sent the Holy Spirit out to fix the problems and by the grace of God we had enough money donated to us by brethren to cover the very expensive alternative to boats, which was flying the brothers in. My earlier calculations were that it should cost about NZ\$4000 all up, but it ended up costing more than NZ\$11000. But the Lord knew what was in front of us and many churches and individuals donated huge amounts of money, which covered every financial problem that came our way.

Bro Selwyn Richard was the hosting pastor and two houses were made available to him to accommodate the brothers. A church building was also donated as the

meeting place for the gathering. About 43 brothers arrived over a two day period and heard the message from a greater perspective than just believing that God sent a prophet. They heard the Bride's part which is where the Lord is focusing right now. It is that part that will bring a meeting in the air and many eyes were opened and many souls activated to that last ride of the Holy Spirit.

Every nation has a spirit that breeds a culture and traditions. The Vanuatu nature can be laid back and slow to get motivated. The Bible tells us to preach the word and God will take care of the rest. After the meetings were over, the brothers came to realize that they must take over their own nation and preach to each other's fellowships. The ball has started rolling and even now meetings have been planned for brothers to visit churches around the islands financed by the Vanuatu Message Missionary Fund set up in 2008. This fund will be helped out by the small donations from each group in Vanuatu as well as foreign help.

Our gracious thanks goes out to all of those that donated money to this worthy cause. Many donations were given in confidence and I will keep it that way. God knows you all and I pray that He will reward you abundantly for this eternal investment. Many upheld us in prayer and we thank you for your sacrifice for without that things would have been significantly different.

To Brother Ron Peterson who traveled with Bro Jerry Sellers on a 36 hour trip from the USA to bless these brothers, we salute you. Bro Ron has travelled to Vanuatu a number of times over the years and his enthusiasm and contribution to this country is boundless. To Bro Paul Moffitt who shared the preaching, the burdens, and encouraged the brothers, may the Lord bless you. To Bro Jerry Sellers, thank you for your love and encouragement to these brethren over the years.

God bless you all.

~And lo, There was a Great Earthquake~

Pt 6 -

Brother Vin Dayal

So he said, "God shook the whole planet," though it didn't unbalance it. But God was warning by a world tremor what He will soon do on a greater scale. The greater scale is coming. That was the tremor; that wasn't the earthquake. That was only the tremor. But, "**Lo,**

and there was a great earthquake." That is my title this morning. I'm dealing with that earthquake here and I want you to really follow me closely, and I'm praying that He'll give me the clarity to place it for you in the place so you can see it in the Bible, so clear in the modern events, how it's building up and what it's coming to with California (prophesied earthquake).

That's what I want to come to here, when it goes down. See? There had to be an earthquake connected with this ministry, because the ministry of the Son of man always ends with an earthquake and a resurrection. That is why I went to Matthew 24 to pick up the ministry of the Son of man between the Fifth Seal and the Sixth Seal. But there is no mention about any earthquake there. But the ministry of the Son of man is there. We found it. And we found the Son of man – Revelation 10:1-7. And we found the eagles – Revelations 10:8-11. We found the whole... Christ and the Bride right there. Is that right? Then that ministry finishes here before it goes over to the Jews there. See? Now remember, it's sealed up in the Word; that's why I'm dealing with the Seals here. It's sealed up in the Word, but we want to open it for you, so you can look in and see it.

And it's going to be clear; it's going to be so clear it will dawn upon you. You see, you believe it by faith already. Many of you had that idea because you could catch it where he's saying it. But then, remember he's a prophet and he could only speak according to the Word. But as the Word opens, you say, "Oh, that's what he was looking at. That is why he could say that. That is why that happened." And when you see it in the Word, it's like "Oh yes, I've heard it, I believe it, but now I see it!" Amen. And then, when you see it in the hour where it's connected to now, not just with sleeping saints, but it's connected with a New World Order too.

And that's why I want to bring it to you...it's connected now...Because remember, under the Sixth Seal, friends, there's going to be a World State: the beast and the ten kings of the earth, (you might have two hundred and fifty governments right now), but this world is going to be divided up in a way that; it's going to be ten kings. It's going to be a certain type of system because under the Fourth Seal it is the uniting of powers.

The first three beasts, went individually into the earth, but in the last age it is all coming together. You know why? Satan is now bringing his kingdom that he built for six

thousand years to a climax, where satan's Eve [the false church], will be in satan's Eden.

You see, God had an Adam and an Eve in His Eden, which was Christ and the Bride in the Kingdom. And Lucifer said, "I will be like God. I'll set up my kingdom, too." He never had anything original; he just perverted the original. So for six thousand years, when God was finished, here was a man reflecting God, see? God and the man were one. And so satan and his...had the same desire.

And you watch how God built His Eden, and you watch how satan built his Eden too. And God gave His Son dominion over the whole kingdom; He was God from sea to sea and from shore to shore. He had the kangaroo there – that was Australia; He had the kiwi there – that was New Zealand. Amen. He had the ram – that was Persia; he had the eagle there – that was America. See? Oh my. He had the lion there – that was Britain. It was all there. He had the goat – that was Greece. See? So He had dominion over the whole thing.

And then we find that satan now, he controls his with political power, religious power. See? He controls his with political power, religious power. See? He controls trade and commerce over his whole Eden.

Adam had an Eden, but it was controlled with the Power of the Holy Ghost. God's Power, Divine Power! Power to speak! Amen! See? But here Adam was in an information civilization. Adam had an information super highway; he had access to God, sure. See, God would reveal to Adam by inspiration. He had access to God, the Word would come to him. He and God fellowshiped on the mystery. God revealed to him the zodiac; God showed him different things. God revealed to him about all the plants and the animals.

'Cause remember, up in heaven – the spiritual creation – already had something like a lion, like an ox, like a man, like an eagle up there already. So, when God was making the physical creation, it was only reflecting things that were already there, in the unseen.

So all those mysteries now, when Adam looked at creation, Adam could see and understand why this eagle is a king, why that dove is a certain way. 'Cause even when God came, God represented Himself as a lion; God represented Himself like a lamb; God represented Himself as a dove, which was already in His creation. He wasn't now getting a new thought, because He can't get any new thoughts. Now he was letting out that there is a mystery sealed up in all these things.

That is why He said, 'take the hyssop, the little common weed that you apply the blood with, and then the cedars of Lebanon that you built the temple with. So both had their place right there in the worship. Amen. So God had it all laid out. It was God's mystery. So it was a great thing. [How did I get there? Somebody is pulling me in those places. Oh my!] Now this great kingdom that is coming... See, satan is only impersonating. God created His trees.

Satan can't create, so he has nuclear plants, power plants, different types of scientific plants. See, bomb factories, different things. See? He has his different types of things that he brings out by science in his Eden. See?

So under the Sixth Seal [this is where I was at], it's this type of world that is coming. It's coming to its climax. So here we are, caught up in the midst of change. In a couple of years, this world that we are in now, what they're calling the great Information Age, the Information Revolution, where it is changing the way we think, the way we work, the way we do business – everything - where the world is no longer controlled by weapons, or by money, or by resources. The world is now controlled by information. Because the first bite from the tree of knowledge is now come to its climax, six thousand years after. And what is it? It's an Information Age; it's an Age built on wisdom; it's a knowledge-based civilization. Amen.

But notice, after the fall, Cain and Abel were in an Agricultural civilization. Then it changed to an Industrial civilization, when Cain went out and began to work in mining, in science and different things. Think of it. Years ago, brother, when people wanted to wash their clothes they'd go down by the river, take the clothes and beat them on a rock, beat it on a rock, beat it on a rock in the river; throw it on a tree to bleach. But look at the Industrial Age and what it's done – gives you a washing machine and a dryer. See? She doesn't do that any more. It changed the way she does things. See?

You look over there. A man wanted to get a little coat to get warm. Winter is coming on, and so he'd kill the sheep, take the wool and the skin off and make a coat. Today, look what the Industrial Age gives man. Look at what a wool suit – a three piece wool suit with worsted wool comes to. Look at what they do to the fibres of that. Look how they take the cotton from the tree and look at what they spin and look at the kind of garment the garment industry makes with it through automation and the industrial civilization. See? Changed the way of everything.

So the world became a different type of world. Then here again it's coming from there to Information, and these same people moved into a realm where they broke into atomic power. Now they could lift boulders that the mechanical power that they had in the Industrial Age, couldn't lift. Now, through geometrical sciences, architectural sciences, they could build pyramids brother, that you didn't even need to cement those stones. Set it there with the stars and everything else, in the earth. They broke into something. See?

And so, they came into an Information civilization, and that's when the destruction comes. Then what did God do? What is the destruction? God turned the world back to its pre-industrial state. And Noah walked out of the ark, and he was a farmer; and he planted a vineyard. Is that right?

But then Nimrod began to change the world now, through conquests, and built cities again, just like what Cain did. And then they came to communication: one language and one people. And when they came to information again, then God scattered them again. Amen.

And then they went through the world. See? And then until 1675, everything was agriculture, buying land. Riches... The way to create wealth was to buy property; conquer

property.

When the Industrial Age came on and they began to invent weapons and they began to connect up, through the development of the transportation system that the Industrial Age brought, then they began to be able to move at a faster pace. They wanted resources now, so land with resources is what became important. And the people who stayed in the Agriculture civilization, seemed to be backward; progress was when the people went in the new civilization. And the steam engine came, see, and then a new type of civilization started to come in.

But now, under the Fourth Seal, look at what the world is coming to. All the powers uniting, reshaping the world; a New World Order, great upheavals, great changes in the earth. Right through the Internet now, the world is shrunk. It's a village. Every man with some little invention, some little product, has a global market at his hands.

Long ago a man, maybe, invented the razor blade. He said, "Hey, this could shave real nice." He sells it to his neighbour, sells it to his next door neighbour. To walk way down to the next village, what it's costing him; the time it's going to take to get there, he can't do it. So his invention goes nowhere. But now there is a system, and he could stay right there and sell that in every country. See?

Brother, you take a big ship, bringing all kinds of, you know, like a box load of books – a library. You see a whole big public library standing there. A man goes in there and sees ten million books and he doesn't know where to start to look for the appropriate information. What is he going to do? Brother, you have a little CD-ROM and the whole big public library is in his pocket. All the information is right there. See? What is it? It changed the way that people do things. The world is changing.

Now I'm saying that because I'm trying to bring to you the thoughts that here is a New World coming in. But many people are failing to see what is happening around us; and failing to realize where we are in the Word, before these things fully come. The destruction always comes in the Information Age. See?

And so we find that here we are in a time of change, and God is doing something for the believers. And many people are being caught up in those upheavals because they can't place it in the Word; it's not clear to them where it is, or what are these things. See? And those very things are handicapping and retarding the people. Yet if they understood how the Word has progressed they will know how far advanced we are, and how close we are to the catching away.

And that is what I'm trusting this morning, that this little thought here, as we try to bring it, that you can see how this Message, this revealing of the Son of man, where it's bringing us up to. To a place where even there's going to be a change inside of us that will be so great and so powerful by this revelation that we are receiving and walking in, that this work that God is doing inside of us, brother, we'll just break right through this world. Amen. Because God has brought a people up into the Mind Age, where it's far greater than our Internet here – it's far greater than that. We have an Information super-highway. Glory!
